10/ Sub Mr Deputy Comr, Mysore Mr
Stokes in his letter ~~[illegible]~~ refd to above
that he met the municipal councillo
of chamarajanagar town on 25-10-1946
& inquired into the allegations. He adds
that Mr C D Narayanarao was absent &
~~the enquiry~~ that he might have made enquiry secretly for absence
At the meeting 7/12 out of 18 non-official
(held on that day)
members were present. A copy of the proceed
of the meeting held on the day is enclosed to
the D's letter

As the President was absent, a cop
of the proceedings & the allegations made
against him were furnished to Mr Narayanarao
furnishing his explanation on each of them
A statement showing in brief the
charges, the President's explanation & the D

Deputy Commissioner remarks. There is put up below for orders.

~~The [illegible] The Secretary.~~

1) The D.C. further adds that the President has not only refuted the allegations as false, but has also tried to recount the good things done by him & has tried to explain why some of the signatories to the petition might have thought fit to complain against him. They are briefly given on page 5 of the D.C. letter.

2) On a consideration of all the facts, the D.C. concludes that Mr. C.D. Nagamallaiah has failed satisfactorily to explain his conduct complained of by the public & the Municipal Councillors of Chamarajanagar. He further holds that the President's actions in having overruled the "no confidence" motion & dissolving the meeting was illegal. He adds that his attempt to say that his letter of 17.8.46 (Ex. A) to the Revenue Secretary, sent without the knowledge of the Municipal Councillors was a personal letter, does not exonerate him from his misbehaviour towards the Municipal Council.

The DC further says that when he visited Chamrajanagar for about one month later, the Mohammedan public made a loud complaint that Mr Narayana Rao gave them all kinds of trouble in obtaining their quota of cloth for the Ramzan

P 79 (with letter)

14) He finally adds that Mr Narayana Rao has lost not only the confidence of a vast majority of municipal councillors, but also of the general public & cites the resolutions of the municipal council in having resolved to suspend the non-official President & to appoint the Amildar as the President of the municipality

15) The DC advocates ~~of~~ after removal of Mr Narayana Rao immediately & to the appointment of the Amildar as the President of the Municipality - or to hold a ~~re~~election of the municipal president immediately

necessary power to the Municipal Council to bring a Non-Confidence motion ~~against~~ against the Presidents which, if passed by not less than two-thirds of the members at a special general meeting convened for the purpose, would be binding on him to vacate his seat. This is subject to the further condition that such resolution shall be passed by not less than one-half of the whole number of councillors at two special general meetings convened for the purpose with an interval of not less than two months but not less than four months between each other. We all deem it necessary to have this measure. But it is stated that the Presidents are invited to attend the meeting

The D C states that the majority of the municipal councillors desire that the town ml council should have an official President until the next reconstitution, which will take place from 1-7-1947

5b) In view of the factors in the ml council and the ~~above~~ communal strength of the municipal councillors, the D C recommends the continuance of the official President of the mlty until the next Reconstitution

There is no reservation of the Chamarajanagar municipality to elect their own President till the next reconstitution of the council which will be the case of from 1-7-47 as it is said to be the desire of the majority of the municipal councillors. In the usual course of things, the mlc

Respected Sir

We the undersigned members of the Municipal Council of Chamarajanagar beg to Submit this appeal for your Kind Consideration & favourable order

A No-Confidence Motion against the Non-official president Mr C D Narayana Rao, was given notice of on 14 9 46 as per existing Municipal Act, Section 23(10) Signed by 9 members The Subject was placed before a Special Meeting of the Council on 28 9 46 at 3 P M At the commencement of the meeting Mr C S Anandarao, one of Signatories objected to Mr C D Narayana Rao occupying the Chair to Conduct the meeting as the Subject referred to the person occupying the Chair On this Connection we beg to State that a monthly meeting of the Council was adjourned on 23 9 46 on Similar grounds by 8-7 Votes

The president ruled out the objection raised by Mr C S Anandarao, Saying that he had every power & Authority to rule out any Subject, objection or proposition without assigning any reason The objection was supported by 9 members and all the others were Silent Except Mr C V Raman the Vice-president who opposed the objection

When the "No-Confidence Motion" was taken up for discussion, Mr C V Raman raised a point of Order Stating that the motion Should be ruled out on the following grounds -

1) The Motion was brought as per Municipal Act of 1938 instead of 1933 2) No Specific charges had been mentioned to move the Motion

P T O

and 3) The whole number of Councillors means 20 While there are only 19 one Seat being Vacant The openion of the Municipal Kawyer Which was got wantonly for the purpose, was upheld, as though the Kawyer was one of the members of the Council Here we beg to State that the Municipal Kawyer has no place in the Conduct of the regular Municipal Meeting.

Mr B Narayan, then moved an amendment that the Words' Municipal Act of 1933 be Substituted for 'Municipal Act of 1938 and was Supported by 9 members Even this amendment was disallowed by the president though the house had the privilege of deciding the question As regards the Second point, we Said that we were prepared to place a number of Charges before the house The president did not allow even this Regarding the third point, it was pointed out as per Section 36 clause 3 the point of order raise is untenable Inspite of all these the president disallowed the Motion After getting the above recorded in the proceedings Book, we were obliged to "Walk out' as a protest against the action of the president

Therefore we request you Kindly to Consider the appeal favourably & Safeguard the interests of the Municipality & also the privileges of the members

We beg to remain
Sir

Sir,

I am forwarding herewith a letter of petition & memorandum addressed to me by certain municipal members of chamber of commerce to the Minister for Reconstruction & Town making allegations against the President of the municipal council, I am directed to state as follows

There seems to be a battle between elected members of the council and a majority of the members

It is alleged that this conduct

of the present is of an arbitrary and high handed, and that he does not conform to the standing rules that he does not admit a censure motion against him, though the provisions of the Township Act & the rules permit the same, that there was irregularities in the distribution of cloth and that the sites formed at the place had not been granted to persons who had deposited amounts years ago

above In the light of the ~~complaints~~ allegations made, I am to request you to meet the municipal councillors, ascertain their grievances, hear the municipal President on the several allegations made against him, find out whether the conduct of the President is illegal or irregular in any respect, peruse the facts available and submit a report within a fortnight, indicating also, what action may be taken in the matter. You may also visit the site to satisfy yourself as to the correctness of the report submitted with your report.

Sir,

Allegations against Mr C.D. Narayana Rao, the non-official President of the Town Municipal Council, Chamarajanagar.

Adverting to your letter No Camp119/M1.46 dated the 12th October 1946 forwarding a copy of the petition dated nil addressed to the Minister for Revenue and Communications by certain Municipal Councillors on the above subject and asking me to meet the councillors, ascertain their grievances, hear the President, on the several allegations made against him, find out whether the conduct of the President is illegal or irregular in any respect and advise parties suitably and submit a report indicating also what action may be taken in the matter, I have the honour to state that I met the Municipal Councillors on 25-10-1946 and inquired into the allegations Mr C D Narayana Rao was absent A copy of the regular proceedings of the meeting held in my presence is enclosed Out of 18 non official members of the Council, twelve were present

(2) The proceedings embody the main points of the controversy and these are

a The overruling by the President, Mr C D. Narayana Rao, of a no confidence motion tabelled by 8 Councillors under Section 23 (10) of Town Municipal Act on a point of order after discussion, and without giving opportunity for voting on the score that voting was illegal, and there was no scope

scope under the Rules to table a motion of a nature ~~of~~ in question.

(b) The President's alleged reluctance to attend the Municipal meetings and the Vice President's assertion on behalf of the President. that this was due to other engagements such as Representative Assembly meetings &c.

(c) The President's letter dated 17-8-1946 address to the Revenue Secretary making allegations against the Amildar was sent behind their back and they do not endorse its contents.

(d) The desire of 7 members present that the president should vacate and the remaining 4 members to effect a compromise as the period of reconstitution is only 8 months more.

(e) Finally the assertion by all the Councillors that the President may be suspended and an official President may be appointed in this place as, owing to serious irregularities the public interest and sanitation are suffering Mr C D Narayana Rao was absent and the Amildar tells me that he knew about the enquiries to be conducted by me, though a notice could not be served on him, ~~though finally~~ issued by the Amildar He must have made himself scarce for obvious reasons.

(3) The President was subsequently furnished with a copy of the above proceedings and he was asked to explain the various points raised thereon A letter dated 24th November 1946 received from Mr C.D. Narayana Rao furnishing his explanation at length is enclosed for kind perusal.

(4) In defence of the first point, he explains while admitting the no-confidence motion brought against him, that he did not declare that voting was illegal or ruled that there was no scope for no-confidence motion, as the minutes of proceedings No.25 of 46 dated 3-10-1946 will bear out. Copy of this is enclosed. Of the 3 objections brought by

brought by Mr C.V. Raman, against this motion viz , there wa no whole number as the seat out of 20 being vacant, the notice was not specific, and it was defective in that it did gave a wrong year of the Act . Kind reference is invited to the definition of the Expression "Whole Number" and Section 36 (8) of the Act . The whole number is defined as the total number of councillors holding office The number present was 19 out of 20 and one place was vacant Section 36 (3) provides that during the vacancy in the Council, the continuing members may act as if no vacancy had occured and it will not invalidate the proceedings. The third objection being a rectifiable one, the opposition was ready with an amendment . The 2nd objection is perhaps a material one, but there is no provision in the regulation in support of this contention, except that the proviso Sec to Section 27 (3) of the Act says that the motion &c should relate to matters connected with the Municipal administration and it should not be ~~exa~~ inconsistent with the provision of the Act Mr Narayana -Rao has quoted in support of his contention from Albert ~~Crees~~ Book on the 'Conduct and procedure at Local Government meetings' and the Book of P. Doreswamy Iyengar on 'The law of Municipal Co-operation' to show that the notices should be specific, full, frank, open, clear etc to enable the person against whom it is aimed may answer ~~them~~ readily and to make it valid in any proceedings He has also quoted the opinion of the Municipal Legal Adviser on the point At the very outset of the Special Meeting held on 28-9-1946, it was explained by one of the signatorees to the 'Non Confidence' motion that the motion covered all aspects of Municipal Administration financial and otherwise in which the President had personal liability and responsibility I think, the no-confidence must have been allowed to be put to vote,

vote, and the refusal of the President is tantamount to a serious irregularity and a high-handed act

(5) On the 2nd point, Mr Narayana Rao has furnished a statement showing his attendence since he became Vice-President, that he attended almost every meeting except when he was prevented by unavoidable circumstances, such as Representative Assembly Meetings But the Councillors present and other members of the public, when I confidentialy enquired, asserted, that as Mr Narayana Rao had become very unpopular with the public, and a large number of Municipal Councillors disliked him and his actions, he was of late become very reluctant to attend the meetings and execute the Municipal duties efficiently.

(6) Regarding the 3rd point, he says, that the letter dated 17-8-1946 addressed to the Revenue Secretary is purely a Demi Official or a personal letter written with the idea of pointing out how the Amildar, Mr Malappa had insulted him in his writings and he raised therein no Municipal issues committing, himself, or the Council or the meetings thereof individually or Collectively to any liability etc , and therefore there is no jurisidiction for complaint Copy of this letter is enclosed.

(7) On the 4th issue, he says that 7 members who want him to vacate must have had personal grievances, which he is not aware of, and that his confidential letter of appeal to the Councillors (Copy enclosed) would show his attitude in the matter

(8) The fifth objection is also refuted as being the outcome of the influence of some of the local officials who dabble in party politics unmindful of their own duties for personal ends. Surprise is expressed in

expressed in this connection that when he states - people are aiming at democracy and congress working for it, the signatorees should have desired, to surrend their rights conferred upon by the benign Government on the citizens in favour of an official President without the sanction of the electorate or without thinking of a better alternative if they do not want him Mr Narayana Rao then goes on explaining all that he did during his ~~regime~~ regime, with regard to drainage, sanitation, prevention of epedemics etc , and finally points out what he considers to have been the factors which ~~has~~ have upset the signatorees to complain against him These are briefly -

a) His successful attempts to improve Municipal Revenue by preventing leakages

b) the defeat of some of the signatorees - Messrs B Narayan, Shamanna and others in the Presidential and Vice-Presidential elections

c) his disclosure of the fact that Mr S Venkata subba Setty, the former vice President, had retained with him the Government money amounting to Rs 2,170/-.

d) his disagreement with the resolution of the Majority of the Councillors regarding disposal of sites in Survey Number 686/1 to one community only viz , Dasabanagigas in the General and Municipal interests This question is -pending orders of Government-letter No D3 P R (S) 49 /46-7. dt 16-9-194

e) his attitude towards the change of sites suggested by the signatorees, for the High School in conformity with the Government authority and the Municipal Council Resolution dated 8-5-1945 A report has been made also in this respect to Government Vide letter No D3 2673 /43-7 dt 16-10-46.

f) the hostile attitude of the Present Amildar, Mr Halappa

In fact many of these form the subject matter of Complaints against the President, which Mr Narayana Rao

Narayana Rao has to explain away in his explanation anticipating them.

(9) In conclusion he refers to public service Medal awarded to him by the Government of His Highness the Maharaja for his services and asserts that he has not acted in any manner to forfeit the confidence of the public of Chamarajanagar of the Municipal Council and that he is prepared to face any change which may be levelled against him with sufficient and reasonable grounds in a constitutional manner

(10) There is a contradiction in the proceedings of the Special meeting held on 25-10-1946 referred to in para 2 Supra, between para 1 and para 3 In para 1 it is stated that 7 of the members want Mr Narayana Rao to vacate and 4 to effect compromise and in para 3 it is stated that all the Municipal Councillors assert that the President may be suspended . The Expression "all" can only mean 12 present so far as that meeting is cancelled . There is rather not less than $\frac{2}{3}$ of the whole number as contemplated in Clause a of 23 (10) nor even if there is not less than $\frac{1}{2}$ the whole number, there is no interval of not less than 2 months between one Special meeting and the other, for purpose of Clause (b) of 23 (10) of the Act to make the portion ~~decisive~~ decisive

It is clear that Mr C.D Narayana Rao, president of the Municipality has failed to satisfactorily explain. his conduct complained of by the public and the members of the Municipal Council. In the first place, I think the Municipal Rules did not justify him in over-ruling the no-confidence motion and in rejecting the motion being put to vote. Secondly, when I asked the 12 out of 19 members constituting the Council, who were present, about the letter dated 17-8-1946 wherein he had addressed

addressed the Revenue Secretary, all the twelve in a body regretted the behaviour of the president and asserted that the letter in question had been sent behind their backs and, not one of them was prepared to endorse to any of the allegations made therein against the Amildar, Mr Halappa for whom they said they had a great respect and regard Mr C.D. Narayana Rao's attempt to explain away this mis-behaviour on his part stating that it was a personal letter &c., does not exonerate him from this act I consider that such behaviour of doing things without the consent of the Council will lead to serious consequences

About a month back when I visited Chamarajanagar, the Mohammedan public made a loud complaint that Mr C.D Narayana Rao had been giving them all kinds of trouble in obtaining their quota of cloth for the Ramzan. I had to pacify them and instruct the Amildar to issue the necessary cloth coupons

As I have already stated Supra, he has lost not only the confidence of a vast majority of Municipal Councillors but also of the General Public He has been interfering in every matter and creating trouble and mischief in the place All, the twelve non official Members of the Council, who were present at the meeting asserted that the Municipal affairs were going from bad to worse and that the sanitary and other duties have been utterly neglected and that the people were suffering consequently and in view of these facts, they unanimously requested me that the non-official President should be suspended and the Amildar appointed as President of the Municipality as before

Considering all these circumstances, I think that Mr C D Narayana Rao has made himself odious as President of the Municipal Council and the Municipal

municipal affairs of this big town has suffered serious. In my opinion either Mr. C.D. Narayana Rao should be removed immediately and the Amildar appointed as the President of the Municipality or in the alternative a re-election of the Municipal President should be held immediately.

The ~~entire~~ the 2 connected records ~~as per Pberist~~ is enclosed herewith for favour of perusal and early orders of Government in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mysore District.

Copy of letter No Nil dated 24th November 1946 from ~~the~~ Mr. C.D. Narayanan Rao, President, Municipal Council, Chamaraja Nagar to the Deputy Commissioner, Mysore District, Mysore.

With reference to your Memo No.D 3-5488/46-47 dated 7th November 1946 forwarding a copy of notes taken by you at Chamaraja Nagar Camp on 25th October 1946 on which some of the Municipal Councillors alleged against me-- a Non-official President of the Municipality, and calling for my explanation, I have the honour to state as follows -

Although you have been, by courtesy, so generous as to term the paras of your note as " Resolutions" I have with due respects to you taken them as charges levelled against me by the Municipal Councillors and I will proceedto answer them seri tum as narrated in your notes

CHARGE NO 1 " A special meeting was held under Sec.23(1(of the Municipal Act and a No-confidence motion signed by nine persons was tabled but it was overruled, on a point of order, after discussions No opportunity was given for voting as a meeting was dissolved on the score that "Voting" was illegal and there was no scope under the rules to table a "No-confidence" motion.

(a) My honourable friends would have done better if they had specified the particular meeting to which they wished to draw your attention But I do not want to make much of this omission I take it for granted that they have referred to the proceedings of the special meeting held on 28-9-46 over which I presided I am glad to find that they have admitted that I had allowed discussion It is true that it was a No-confidence motion brought against me Whatever might have been the gist of speeches made by some of the members for and against the proposition, as the minutes recorded will show, I never declare as they have stated, that "Voting was illegal". At that meeti the proceedings did not at all come to the stage of the motion being put to vote. Also I never ruled that "there was no scop to table a "No-confidence motion." The copy of the minutes of the proceedings which I have submitted to you with my letter No 25/46 dated 3-10-46 will bear out what I have stated above

(b) The point of order raised by one of the councillors wa in the main to the effect that the notice of the motion dated 14-9-46 was vague in as much as it did not specify any definite charges against the President Before coming to conduct the meeting I had studied the existing rules, rules of pratice and conventions on this point to the best of my ability The notice for the meeting as sent up by my friends contained, as your good self may peruse from the copy I have submitted only their own opinion of me thus "ಶ್ರೀ ಕಳಪಟ್ಟಣ ನಗರಾಧ್ಯಕ್ಷರಲ್ಲಿ ವಿಶ್ವಾಸವಿಲ್ಲವೆಂದು ನಮ್ಮ ಅಭಿಪ್ರಾಯ ಪಟ್ಟಿರುತ್ತದೆ ಆದ್ದರಿಂದ ಅವರು ನಮ್ಮ ಸ್ಥಾನಕ್ಕೆ ರಾಜೀನಾಮೆಯನ್ನು ಕೊಡುವುದು ಉಚಿತವೆಂದು ತಿಳಿಸಿದೆ"

It did not ~~xxxxxfyky~~ specify any reasons for coming to the con clusion that my acts affected the rights and privileges (ಹಕ್ಕು ಬಾಧ್ಯತೆ) of Municipal Councillors Such definiteness, which alone coul have given me an opportunity to explain myself with previous pr paration and with reference to figures and facts and which alone could have given to the other members who attended the meeting, to come to an opinion on the proposition, was essential I beg leave to appeal to you to consider whether I was not right in this respect Even a murderer is not convicted for the offence of murder because the Public Prosecutor states in the charge-sheet without giving his groudns that the former had killed "A" had referred to Albert Crew's Book on "The conduct of and proced at Local Government Meetings" and Mr. P Doraswamy Iyengar's Boo viz , "The Law of Municipal Corporations." It has been stated in Alberts Crew's Book ~~xx~~ that notice must give a sufficiently full and frank disclosures of facts upon which the meeting is

meeting is asked to vote. In the Book of Doraswamy Iyengar who has quoted Albert Crew in every chapter, it has been laid down that the notices must be frank, open, clear, ~~xx~~ satisfactory and free from trickiness. The bye-laws of the Mysore City Municipality are also to the same effect. Even though I was convinced of the material irregularity of the notice, I did not choose, as a non-official to assert myself in matters of legal importance I thought it desirable to take the legal advise in fairness to the movers of the proposition. The advice tendered to me by the Municipal Lawyer runs as follows

" When the President has been assailed by way of motion as aforesaid for having flouted the authority of councillors, definite instances of such acts of flouting are necessary to be stated in the notice itself. Law contemplates that notices of motion must be frank, open, clear, satisfactory and free from trickiness. The object of the meting should be stated with sufficient particularyy as otherwise, the notice will be insufficient and the resolution recorded in pursuance of a meeting held thereunder will become invalid Insufficient notice and want of notice amount to the same in the eye of law and affect the validity of the meeting In your letter, you have stated in pursuance of the notice of the motion you have called for a meeting to be held on 28-9-46. If in pursuance of the notice of the motion which is insufficient for want of the necessary particulars as stated above, the meeting is held, I would like to inform you that the proceedings recorded in the meeting so held may become invalid in Law."

(c) I tried my best to convince them on the above point but in spite of my appeal to the signatories, confusion so to say, increased I was obliged to give a ruling and then dissolved the meeting This is the most important of all the points, which I am obliged to explain I have referred to the terms "Whole number of Councillors" while giving the ruling In doing this I have relied on the legal opinion tendered to me. I have made only passing remarks on this point without giving serious consideration to it because it would have been an important point, only if the motion had reached the stage of being put to vote. The circumstances under which I gave the ruling on all points will show that I acted like this believing bonafide, that the view I had taken and which was supported by the Legal Adviser was correct

4. CHARGE NO:2 " The President is reluctant to attend the Municipal Meetings, but the Vice-President asserts that he is absent owing to R.A. meetings etc.

The Municipal Councillors who have charged me with "reluctancy" have themselves given the reason for my absence. I appeal to you to consider whether they can deny me the privilege of attending even R.A. meetings as a member thereof. However, I have enclosed a statement of my attendance at Muncipal meeting which convinces you that I have attended almost every meeting of the Council ever since I became the Vice-President of the Council and I have not avoided the Municiapl Meetings except under unavoidable circumstances

5. CHARGE NO.3: Seven members present want the President to vacate his place. The remaining 4 members want to effect a compromise as the period of re-constitution is only 8 months more.

(a) I beg to state that the seven members who want me to vacate my office must have some personal grievance against me which I am not aware of. I am in a position to assert that neither these seven members nor any others can face me with facts

(b) I take this opportunity to bring to your kind notice a personal and confidential letter (abstract enclosed) addressed on 28-9-46 to the Municipal Councillors by me when I knew that some suspicion was lurking in the minds of some of the Municipal Councillors about my attitude towards them As an elected non-offical President I considered that I owed a duty to the Municipal Councillors who elected me I have frankly told them in this letter that I am agreeable to correction, if any mistake was pointed out. It was and it even now is open to them to magnaniously

consider my letter instead of making vague allegations In writing this letter I was not playing the role of a guilty person to seek a compromise but that my role was that Gentleman ~~xxx~~ entreating his opponent to desist from wrong methods It is for you, Sir, to consider whether for a person who has come forward to do some honorary service to his native town sacrificing all his business interests, there is any better conciliatory method than this to be followed to avoid uncalled for unpleasantness.

6. CHARGE NO.4: " All the Municipal Councillors state that the the letter No. nil dated 17-8-46 has been sent behind their back and they do not endorse to its contents."

(a) I must with due respect, to you state here that the letter dated 17-8-46 was purely a demi-official or a personal letter written with the idea of pointing out how the Amildar, Mr Halappa had insulted me in his writings. In this letter I have not raised any individual Municipal Councillor, the Municipal Council or the President to any sort of responsibility or liability There is not therefore, any justification for them to complain to you that this personal letter was sent without their knoweldge.

7. CHARGE NO.5: " All the Municipal Councillors assert that the present non-official President may be suspended and an official President be appointed in the interest of the Municipal administration At present owing to serious irregularities the public interest and sanitation is suffering "

(a) It is most unfortunate that I was not present at Chamaraja Nagar at the time of your visit to the Town I would not have missed the opportunity of the visit of the Head of the District to my Town if I had some sprt of information about the intended visit. Chama rajanagar is a Congress minded town and Messrs. Ananda Rao, Venkata subba setty, Shamanna, B. Narayana and the other complainants are strong congressites It is surprising to note that of all the towns people these Gentlemen, especially at this juncture when World politic including those of India and Mysore State are aiming at Democracy, and propaganda is being carried by Congress to achieve this, should have expressed a desire to surrender a right conferred on them by the Benign Government and ask for the restoration of official President. Did they speak so on their own behalf? Had they the sanction of the electorate to say so? Certainly not If they did not want me as President they could have claimed the office for anyone of them. Were they not competant? Are there not other persons capable of shouldering this responsibility? I can emphatically say that this representation is the outcome of the influence of some of the local officials who dabble in party politics unmindful of their routine duties. I presume that such interferences on their parts seems to be for personal benefits rather than in the interests of the public of Chamarajanagar I have explained thes more in detail in my D O. lette dated 17/8/46 I dare say that such interference has been the root cause for all the misunderstandings It may not be out of place to mention in conclusion for your information that some of the Municipal Councillors whom I met recently were astonished to find that their Foreman had let such an impression recorded in your Note as an expression of the opinion of all the Municipal Councillors in contradiction of the last portion of para-1 of the same note. Did public health suffer as alleged in a point which I cannot omit to touch upon. This has been the most important item of work which received my personal attention The drainage work which remained without progress for the last 3 years was pushed through and a fair progress has been made now as a result of my personal representation often to the officers concerned During the period of my Presidentship no epidemic broke out. During my regime I got the Municipal High School sanctioned, got the examination centre for S.S L.C. for the very first year The afternoon train which had stopped for the last 4 years was revived at the instance of my repeated representations to the officers concerned.

Sir, I will be failing in my duty if I do not place before you certain other circumstances which might have upset the balance of mind of the signatories and prompted them to complain against my

official acts Ever since I became Vice-President, I exerted myself to find out causes for getting low income from certain items of revenue, and tried to prevent leakages and improve the resources. Toll Revenue which had fallen to Rs 10,080 in 1943-44 has been brought up to Rs. 14,796/-- per annum Street rubbish which was going out for a petty sum of Rs 60/- per annum fetched Rs. 1,004/- in 1944-45 and Rs.643/- for 45-46. Income from vegetable market which I newly started has increased from Rs.384 to Rs 1,320/- per annum The realisations from mutton stalls have risen from Rs.300/- to Rs.1,176/- per annum. Municipal vacant sites which had fallen vacant for the last 20 years were discovered and auctioned by me realising nearly Rs.5,000/- In this way I have been taking pains to increase the Municipal revenue in all right directions as the Municipality has to face many commitments such as drainage, water works, etc Messrs. B. Narayan and S, Shamanna, C.S. Ananda Rao and S. Venkatasubba Setty, who were defeated in the Presidential and Vice-Presidential elections, were naturally out to blackmail me somehow or the other and pick holes in my work My efforts in closing down the holes of leakages, to the best of my ability, of municipal revenue must have upset those, who were having undue advantages. Soon after I became the Vice President I had the misfortune of being obliged to disclose the fact of Mr. S. Venkatasubba Setty ex- Vice- President retaining with him a large sum of Government money amounting to Rs. 2,170/- even after he ceased to be Vice-President, which was later on discovered and recovered by me in instalments. As in duty bound I was obliged to differ from the resolution of the majority of the Municipal Councillors which was to the effect that 28 building sites and 12 shop sites in S No.686 should be given away to the people of a particular community, namely, " Dasa-Banajigars" at a nominal upset price to the detriment of Municipal revenues and also to the prejudice of communal harmony I had to make a somewhat different recommendation which was in conformity with your expressed views. In so doing I did not conceal the resolution of the Municipal Council. I believe bona fide that it is the privilege of every President. Re the Municipal High School Site, the present site was approved by the joint inspection of the present Revenue Minister, D.P I., your goodself and some of the municipal councillors. Some of the signatories along with o other municipal councillors in the meeting held on 8-5-46 approved the site and passed resolution that foundation stone should be laid by Mr. O. Pulla Reddy at the present site. Accordingly it was done. Now the very same signatores wanted the change of this site towards Ramasamudra Road. The D P.I. gave an endorsement that the old order cannot be revived. These section of Councillors attribute that I am the chief cause for having the foundation stone laid on the presen site having collided with Government officials. The hostile attitude of the present Amildar towards me must have given a fresh impetus to these Gentlemen like Messrs. Ananda Rao, Venkatasubba Setty, B. Narayana, S. Shamanna and other signatores of the petition who were already upset under the different circumstances narated above to complain against me

The award of Public Service Medal to me by the Government of His Highness the Maharaja of Mysore must have made them jealous of my popularity. These few Gentlemen have, in these circumstances, rushed out to make vague and unfounded allegations against me in their own fashion.

Regarding serious irregularities etc. as mentioned in the 1st resolution this is not evidenced by complaints made by the Public of Chamarajanagar Apparently, I will have to conclude such an assertion has been made by a section of Municipal Councillors purely on matters of personal grievance and jealousy rather than in the capacity of Public servants being more responsible to public interests and for the improvement of the health and sanitation of the place I may state that during my regime I have set right many such serious irregularities prevalent at the time of my taking charge.

In conclusion I beg leave to impress on you, Sir, that I have not acted in any manner to forfeit the confidence of the Public of Chamarajanagar or the Municipal Council and that I am prepared to face any charge

which may be levelled against me with sufficient and reasonable grounds in a constitutional manner.

I beg your pardon for this lengthly explanation which under the circumstances of the case has become ~~an~~ inevitable

Copy of appeal No.nil dated 28th Sept.46 of Mr C D.Narayana Rao, President, Town Municipal Council, Chamarajanagar, to the Municipal Councillors, namely, Messrs. B. Narayan and other Signatores.

I extremely regret that you have brought a No-confidence motion against me by which my feelings have been wounded very much. You are fully aware how strennuously I have been working in the interest of the Town and for the good of the people So far my recollections go I think I have not gone out of the way beyond my powers which you all have given me In the execution of the duties you might think that I have gone wrong It is all human nature as to err is human If you think that I have done wrong in my actions, I am even now, prepared to correct myself Instead of bringing this No-confidence motion against me, who I am one amongst you on the 14th eveing during my absence if you had sent for me and given me an opportunity to explain you I could have cleared your doubts against me and correct myself then and there even if I had really gone wrong as you now think This unhappy incident would not have occurred and easily avoided. We are all elected by the rate-payers of Chamarajanagar and we all should work for the common good of the people of this town In the first instance, I was elected by the Council as Vice-President and again I was elected as a Non-official President and have given me an opportunity to serve you all It is all with your goodwill and strong support I was able to secure this responsible post to serve my people and town. I assure you that I have not gone against the will of you all and if you really think that I have gone you all please excuse me and forget and forgive me

x x x

Once again I request you all kindly to drop the matter and to end it there alone and let us work with harmony in the interest of the Town and have a good understanding in all Municipal matters and have a calm atmosphere with your kind co-operation and support.

Copy of D.O. letter No.Nil dated 17th August 1946 from Mr C.D. Narayana Rao, President, Muncipal Council, Chamarajanagar, to the Revune Secretary to Government of Mysore, Bangalore.

I beg your pardon for addressing this letter to you in connection with the attitude of Mr. H. Halappa, The Amildar of Chamarajanagar Taluk, in his capacity as the Ex-officio Secretary of the Committee of Management of the Municipal High School, towards me as the non-official President of the Muncipal Council.

I beg to invite the favour of Deputy Commissioner's reference to the undermentioned remarks of the Secretary with reference to the President of the Muncipal Council in his letter No H.C.7/46-47 dated 11th Aug.46 addressed to the Deputy Commissioner (Typed copy enclosed)

Para 1: AIDED SCHOOL PROVIDENT FUND

The Statement of the President that the Muncipal contribution towards the Aided School Proficent Fund is claimed at enhanced rates is wrong and misleading and the rate claimed is only six pies in the rupee as per rules. Interpretations of rules in piece-meal excluding the main clause is done wantonly to harass the claims"

Para 2 CLAIM OF ADDITIONAL PART-TIME ALLOWANCE:

" This delay is to be explained only by the President of the Council and necessarily this also leads to the conclusion that this is wantonly done"

Para 3 SALARY CLAIMED ON BEHALF OF MR. K.V DORASWAMY WHO WAS APPOINTED IN THE VACANCY CAUSED BY THE TRANSFER OF MR B G. GARUDACHAR:

" The President raised no objections then and he is not competent to object the Secretary since the Secretary is the mouth-piece of the Committee and is the virtual head of the High School Committee on the spot. In addition to this the Secretary is not a subordinate to the President of the Municipal Council as the Secretary is empowered to countersign all the bills for payment, and the President is to pass the bill on the strength of this Countersignature."

Last Para " It is binding on the Muncipiality to honour all bills duly counter-signed by the Secretary without question."

These remarks would have escaped my attention had it not been for the fact that the Secretary has chosen to send a copy of the said letter to me, for which there was no necessity He has done this perhaps to make himself known to me as a New Officer clothed with additional powers to check the Muncipal Council and its officers I would have remained indifferent to these remarks unless they were communicated to me by the Deputy Commissioner, if it were not due to the fact that two other communications, couched in an ~~intemperate~~ intemperate language and lacking in official decency and decorrum have since been received by me, from the same officer The aspertions that I have wantonly interpretted certain rules to harase the claims of the School Staff and the allegations that the delay in disposing of matters is wantonly etc are such as are beyond the province of his office He asserts that, as Secretary, he is the mouth-piece of the Committee This he may be He emphatically claims further that he is the virtual head of the High School Committee in the immediate absence of the President I leave it to your goodself to consider whether he can style himself like this For my part I am not prepared to recognise him as such how arrogent he is when he says in the last para of his letter that it is binding on the Muncipality to honour all bills countersigned by the Secretary without question, can be judged by yourself

I wish to bring to your kind notice that all items of claim preferred by the School Staff without previous sanction of Government have been passed by me as ordered by the Deputy Commissioner in his Memo of 15th August 1946, except the item of enhanced rate of Dearness Allowance to which the Municipal Council has taken objection. The Secretary ought to have understood my responsibility as President of the Municipal Council as well as the Deputy Commissioner, and as the controlling authority in matters of expenditure that sanctioned by the Municipal Council. Even on this question I was about to seek Deputy Commissioner's further instructions, but in the meanwhile I received Deputy Commissioner's order. Accordingly I have since passed the claim for the enhanced dearness allowance also.

In his letter No.H C.-10/46-47 dated 16-8-46 (copy enclosed he takes exception to what he imagines * want of Office decorrum a etiquette." A perusal of my communication objected to, by the Secretary, Municipal High School Committee, Chamarajanagar, for favour of furnishing the opinion of the Managing Committee in the matter. This will indicate that I have shown him better official gard than he is entitled to, i.e. the regard due to officers of an above the rank of the Deputy Commissioners under the standing orde In his letter No.H.C.7/46-47 dated 16/8/46 (copy enclosed) receive in my office on 16/8/46, the Secretary takes exception to my issui cheques in his favour as Secretary and to issuing three cheques in of one. It is not understood by me how his prestige is affected why he feels insulted He has represented to the Deputy Commissi that unless the claims of the school staff as put forward by them passed , they would strike work. As a local officer, I can say th his apprehensions are of his own imagination, but not real. If were so, there was not a better colleague officer on the spot than myself for consultation to avert such a crisis with all the influence of this Municipal Council and the confidence I command the public. He never informed me anything about this I am afra that the Secretary has played into the hands of the School Staff a has put forward this plea as means to coerce orders from the Depu Commissioner to pass all the claims.

I thought of remaining quiet considering the age and his local status as the Amildar of the Taluk, but his last communication received by me prompts me to take the matter on to you. I consider that I would be failing in my duty if I do not bring such matters to your kind notice, so that such spirit may be nipped in the bud

Further I should like to pointed out that in the last para of his letter No H C.7/46-47 dated 11/8/46(typed copy enclosed) the Secretary says " that it is binding on the Municipality to honour all bills duly countersigned by the Secretary without question ." I request a clear and definite ruling may be given in regard to the relation between the non-official president and the Secretary in such matters

In conclusion, I would only request that such notice as you deem fit may kindly be taken against him for the unqarranted remarks made by him in the matter against a non-official President of the Council.

Begging your Pardon.

ಸಾಂದರ್ಭಿಕ ಸಂಸದೀಯ ಪದಗಳು

ಸಭಾಧ್ಯಕ್ಷರು ಸಂಸದೀಯ ಪದ್ಧತಿಯಂತೆ ಸಭೆಯ ಕಲಾಪಗಳನ್ನು ನಡೆಸಿಕೊಡಲು ಸಭೆಯ ಸದಸ್ಯರಿಗೆ ಸಹಾಯಕವಾಗಿ ಕೆಲವು ಸಂಸದೀಯ ಪದಗಳನ್ನು ಬಳಸುವುದು ಸಾಮಾನ್ಯ ಪದ್ಧತಿಯಾಗಿದೆ. ಅಂತಹ ಪದಗಳಲ್ಲಿ ಕೆಲವು ಈ ಕೆಳಕಂಡಂತಿವೆ.

ಸದನದ ಕಾರ್ಯಕಲಾಪಗಳಲ್ಲಿ ಸದಸ್ಯರು whole number of Councillors ಎಂಬುದಾಗಿ ಸಂಖ್ಯೆಯನ್ನು ಹೇಳಿದಾಗ ಅಂದರೆ ಒಟ್ಟು ಸದಸ್ಯರ ಸಂಖ್ಯೆ ಎಷ್ಟು ಎಂಬುದಾಗಿ ಕೇಳಿದಾಗ ಸಭಾಧ್ಯಕ್ಷರು ಸದಸ್ಯರಿಗೆ ಈ ಕೆಳಕಂಡಂತೆ ತಿಳಿಸುವರು.

ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಹೇಳುವಾಗ ಸಭಾಧ್ಯಕ್ಷರು ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಹೇಳಬಾರದು. ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಹೇಳಲು ಸದಸ್ಯರು ಕೋರಿದಾಗ ಸಭಾಧ್ಯಕ್ಷರು ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಹೇಳಲು ಸಾಧ್ಯವಿಲ್ಲವೆಂದು ತಿಳಿಸಿ ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಎಣಿಸಲು ಸೂಚಿಸಬೇಕಾಗಿರುತ್ತದೆ. ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಎಣಿಸಲು ಸೂಚಿಸಿದಾಗ ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯು ಕೋರಂ ಸಂಖ್ಯೆಗಿಂತ ಕಡಿಮೆ ಇದ್ದಲ್ಲಿ ಸಭಾಧ್ಯಕ್ಷರು ಸಭೆಯನ್ನು ಮುಂದೂಡಬೇಕಾಗಿರುತ್ತದೆ. ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯು ಕೋರಂ ಸಂಖ್ಯೆಗಿಂತ ಕಡಿಮೆ ಇದ್ದಲ್ಲಿ ಸಭಾಧ್ಯಕ್ಷರು ಸಭೆಯನ್ನು ಮುಂದೂಡಲು ಸೂಚಿಸಿದಾಗ ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯು ಕೋರಂ ಸಂಖ್ಯೆಗಿಂತ ಕಡಿಮೆ ಇದ್ದಲ್ಲಿ ಸಭಾಧ್ಯಕ್ಷರು ಸಭೆಯನ್ನು ಮುಂದೂಡಬೇಕಾಗಿರುತ್ತದೆ. ಸಭೆಯಲ್ಲಿ ಹಾಜರಿರುವ ಸದಸ್ಯರ ಸಂಖ್ಯೆಯನ್ನು ಎಣಿಸಲು ಸೂಚಿಸಿದಾಗ

Mr. C D Narayana Rao's Case

Sl No.	Allegations	Mr. Narayana Rao's reply	Deputy Commissioner's remarks	For Orders
1.	Over-ruling by the Municipal President of no-confidence motion tabled by 9 Municipal Councillors under Section 23(10) of Town Municipalities Act, on a point of order after discussions No - opportunity was given for voting as the meeting was dissolved	Mr Narayana Rao says that he never declared that "Voting was illegal" and that he never ruled that there was no scope to table a "no-confidence motion " The point of order raised by one of the members was to the effect that the notice of the motion was vague as it did not specify any definite charges against the President, while the rules require the changes to be definite While he tried to explain this, there was much confusion and so, he was obliged to give a ruling and dissolved the meeting	The objections against the motion raised by one Mr C.V Raman were (1) that there was no "whole number" (2) that the notice was not specific and (3) that it was defective as the year of the Act was wrong The Deputy Commissioner says that there was the whole No as all the 19 Municipal Councillors exclusive of one vacancy were present and that the 3rd point could have been easily corrected- He adds that one of the signatories explained at the very outset that the motion covered all aspects of Municipal administration - financial or otherwise in which the President had personal liability and responsibility The Deputy Commissioner states that the motion ought to have been allowed to be put to vote and the President's refusal to do so tantamount to a serious irregularities and a high-handed act	

2.	The President's alleged reluctance to attend the meetings and the Vice President's assertion on behalf of the President that this was due to others engagements like R.A meetings etc	The President denies this allegation, stating that he has attended almost every meeting of the Council since he became its Vice-President, except under unavoidable circumstances	The Deputy Commissioner says that on personal enquiry he ascertained that the President had become very unpopular with the public and disliked by a very large number of Municipal Cpuncillors and that as such he had of late become very relunctant to attend the meetings and execute the Municipal duties efficiently
3	S even members present wanted the President to vacate his place The remaining 4 members wanted to effect a compromise as the period of reconstitution is only 8 months more	The President states that the seven members who wanted him to vacate his office must have some personal grievance against him which he is not aware of He invites reference to his letter dated 28-9-46 to the Municipal Councillors asking them to point out mistakes, if any, so that he may correct them	
4.	All the Municipal Councillors assert that the letter No Nil dated 17-8-46 (to the Revenue Secretary to Government) has been sent behind their back and they do not endorse its contents.	The President states that the letter was a D O or a personal letter in which the idea of pointing out how the Amildar Mr. Bhalappa had insulted him in his writings He adds that in that letter, he had not insulted any individual Councillor, the Municipal Council to any sort of responsibility There is not therefore any justification for them to complain	The Deputy Commissioner says nothing about this point
5	All the Municipal Councillors assert that the present non-official President may be suspended and an official		

official President be appointed in the interest of Municipal administration At present owing to serious irregularities the public interest and sanitation are suffering

The President states that the complaining members are Congresites He asks if the Municipal Councillors do not want him to be the President, why not one of them become the President To forego the privilege, of having a non-official President would be a retrogade step He adds that the outcome of the influence of some of the local officials who dabble in party politics for their personal benefits, unmindful of the routine duties He adds that public health is not suffering as alleged that no epidemic broke out during the period of his office and that the drainage scheme of the Town which had remained without progress for the previous three years was pushed through by him He goes further to explain what he considers to have been the factors which have upset the signatories to complain -- against him

From

G. N. Nagaraja Rao, Esq., M.Sc.,
Deputy Commissioner,
Mysore District, Mysore.

To

J.B. Mallaradhya, Esq., M.A.,
Secretary to Government,
Revenue Department, Bangalore.

Sir,

Resignation of Mr. C.D. Narayana Rao from the Presidentship of Town Municipal Council, Chamarajanagar following the no confidence motion.

Adverting to your letter No. L.11574 dated 22nd February 1947 on the above subject, I have the honour to state that Mr. C.D. Narayana Rao, President and Mr. C.V. Raman, vice-President of Chamarajanagar Town Municipality have tendered resignation of their presidentship and vice-presidentship respectively. As both the President and the Vice-President resigned, under section 23(6) of the Town Municipalties Act, the Amildar, Chamrajanagar has taken charge of the Municipality as President.

The Government have been pleased to sanction to this Municipality the privilege of having a non-official President. But. the Municipal Council has not taken proper advantage of the generous concession of the Government. The Council is torn by factions and the work of the non-official President has also not been commendable. The majority of the Municipal Councillors desire that the town should have until the next reconstitution, which will take place from 1-7-1947 an Official President, as such a step will cool down con-

siderably the factious spirit brought about by the actions of the previous non-official President.

The Municipal Councillors in majority belong to the Congress and Hindu Mahasabha and the feelings between the Hindu Mahasabha members and the Muslims of this town has been strained. If a Hindu Mahasabha member comes President now, there is danger to public peace and it is desirable to avoid such a contingency.

In these circumstances, I recommend that an official be continued as President of this Municipality until the next reconstitution and the matter may then be reviewed, if the Municipality desires to have a non-official President.

The Amildar, Chamarajanagar is very heavily over-worked and the Sub Division officer, Nanjangud has comparatively light work as even the Income-tax work will be transferred shortly to a separate officer. In these circumstances, I recommend that the Sub Division officer, Nanjangud, may be nominated as the President of Chamarajanagar Municipality.

The Municipal Council will be asked to elect a Vice-President, if necessary.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,
Mysore District.
